The Power of Community...

Now in its 11th year of operation, the N4CS has become an essential part of the Northern Columbia area. From youth to seniors, the center educates, inspires and supports our community every day.

- Our summer camp and after school program provide a safe nurturing atmosphere for children to learn and grow.
- Our cultural programs allow children and adults to share new and exciting experiences.
- Our seniors continue to lead healthy, productive lives through the power of exercise and community fellowship
- Our fitness center and exercise classes contribute to the healthy lifestyles of many Columbia County residents.
