

Dear Parents/Guardians,

Northern Columbia Community and Cultural Center with the help of AGAPE and Central Susquehanna Food Bank will be providing nutritional food items to the campers to help supplement their diet over the weekend. Each Friday during the Northern Columbia Community and Cultural Center's Summer Kids Camp campers participating will receive a stuffed bag with kid-friendly, nutritious, non-perishable and easy to prepare food items to go home with them each weekend. This program is designed to give families who need it, a helping hand when children are home from camp on the weekend.

Below is a link to the consent form. To be enrolled in the program, a form **must** be filled out for **each** student. We also will have forms at the center if you have trouble printing them off of our website. Please fill out the form completely, and return it to the Northern Columbia Community and Cultural Center.

We are looking forward to a great year at camp,

-N4Cs Staff
